It is indeed an honor
 for me to be the first to write
 in this swell book that belongs
 to a cute girl. My only regret is
 that we could never get closer to each other.
 I have so much enjoyed your house even if
 I also enjoyed passing your porch. I enjoyed going
 Jack was on the front porch. I enjoyed going
 with you Virginia. See although it made people mad.
 Some days in the near future perhaps you won't have
 one hooked then is when I come in. Also, take it easy is
 San Antonio. I'll "miss you". Keep it up.

of 1942

**LUBBOCK SENIOR HIGH SCHOOL
LUBBOCK, TEXAS**

For his leadership, sportsmanship, friendliness, and loyalty, we dedicate this, the 1942 Westerner, to Dean Dan W. Powers.

During the first four years of his career in Lubbock Senior High School, Mr. Powers taught history and mathematics. Since 1930, he has served as dean of boys, winning the respect and admiration of every boy as well as that of the girls.

When a word of cheer or encouragement is needed, it is natural to call upon Mr. Powers, our head cheer leader and most loyal Westerner.

We, the staff of the 1942 Westerner, have endeavored to present to you, as Westerners of Lubbock High School, a permanent record of your 1941-'42 school year. It would be impossible to include every achievement of the year, but we hope that we have bound in this pictorial scrap-book a few of the experiences that are dear to you.

It is our earnest desire that in the years to come this record may fill a prominent place on your much-read book-shelf. As you turn through it, may each page reveal to you some pleasant memory of the traditional and democratic Westerner life and the motto,

"SPORTSMANSHIP THEN VICTORY"

Westerner Call To Loyalty

Westerners put on your chaps, Buckle on your spurs;
We will gallop over all the sweeping prairie land

Loosen up the reins of our old fighting Westerners;
We will fight for black and gold, true Western brand;

Sportsmanship then victory is the motto of our high;
Lubbock High in golden letters we will glori-fy;

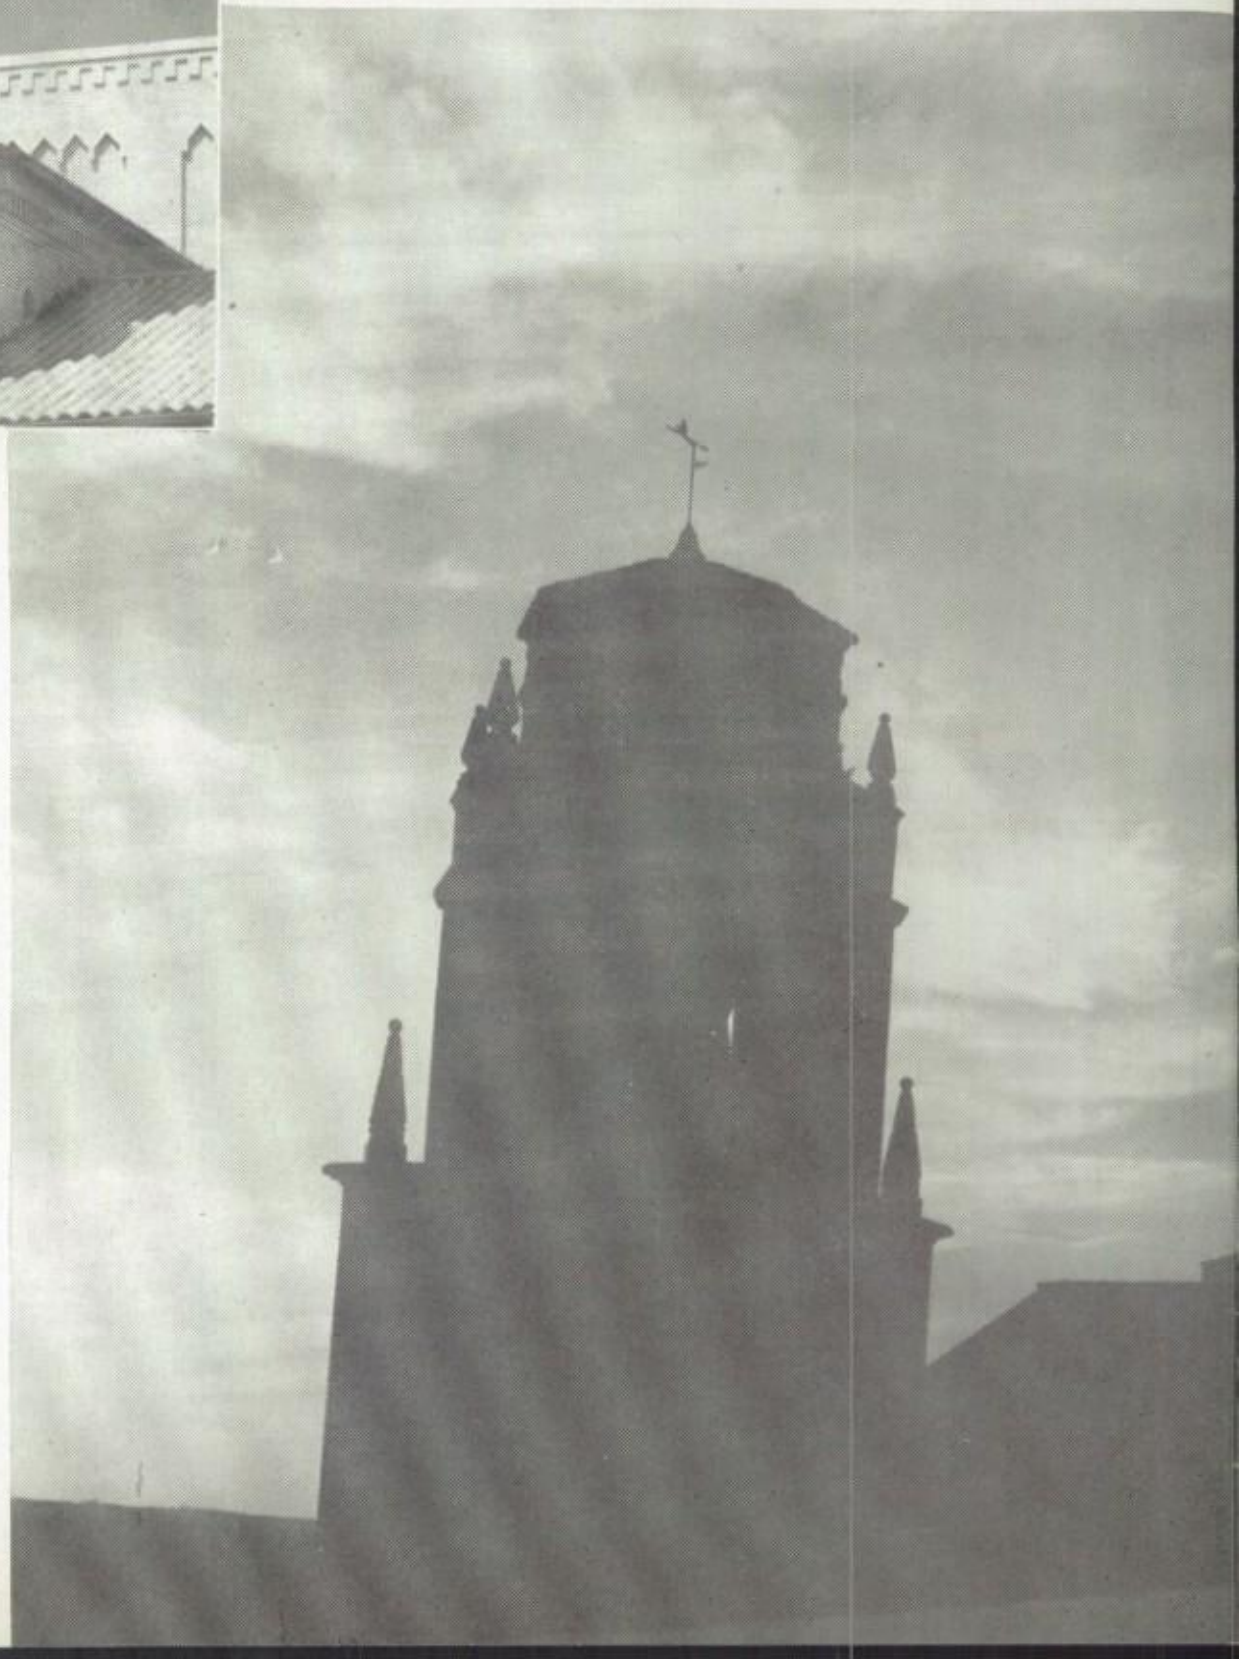

Come along you brave old West'ners; We will do or die.
Come along you brave old West'ners; We will do or die.

The Student Council of Lubbock High School is an organization that has promoted school activities for the past nine years. The president and secretary of each of the three classes are also members of the council.

Senior Activities

The senior activities began with a weiner roast at MacKenzie State Park. Later in the year, senior rings and senior pins were ordered. This is the first year that the seniors have been permitted to order pins. As graduation was just around the corner, the seniors placed their order for their invitations. On April 13, a party was given in the gym. This party was a Lil' Abner Barn Dance, given instead of the Senior Banquet, since the money was invested in United States Defense Bonds instead. Senior Day was held at Buffalo Springs on April 22. The senior activities drew to a close with Baccalaureate on May 24, and Graduation services on May 25.

Pictured at right are candidates for senior class officers and their campaign managers. They are from left to right, seated: Dana Fay Ware and Arlene Younger, candidates for secretary; Amos Howard and Wesley Hamilton, running for president. Behind them are their campaign managers, from left to right: Bill Kennedy, Benny Rhodes, James Reese, and Dale Odam.

At the senior weiner roast, sponsors, Trotter and Powers, prepare the trimmings, while Berry Lofland and Dorothy Neil prepare the all-important frankfurters.

Two dignified seniors, Dorothy Neil and Sybil Lynn, act their part, while Eleanor Jackson and Miss McCandless religiously roast their marshmallows.

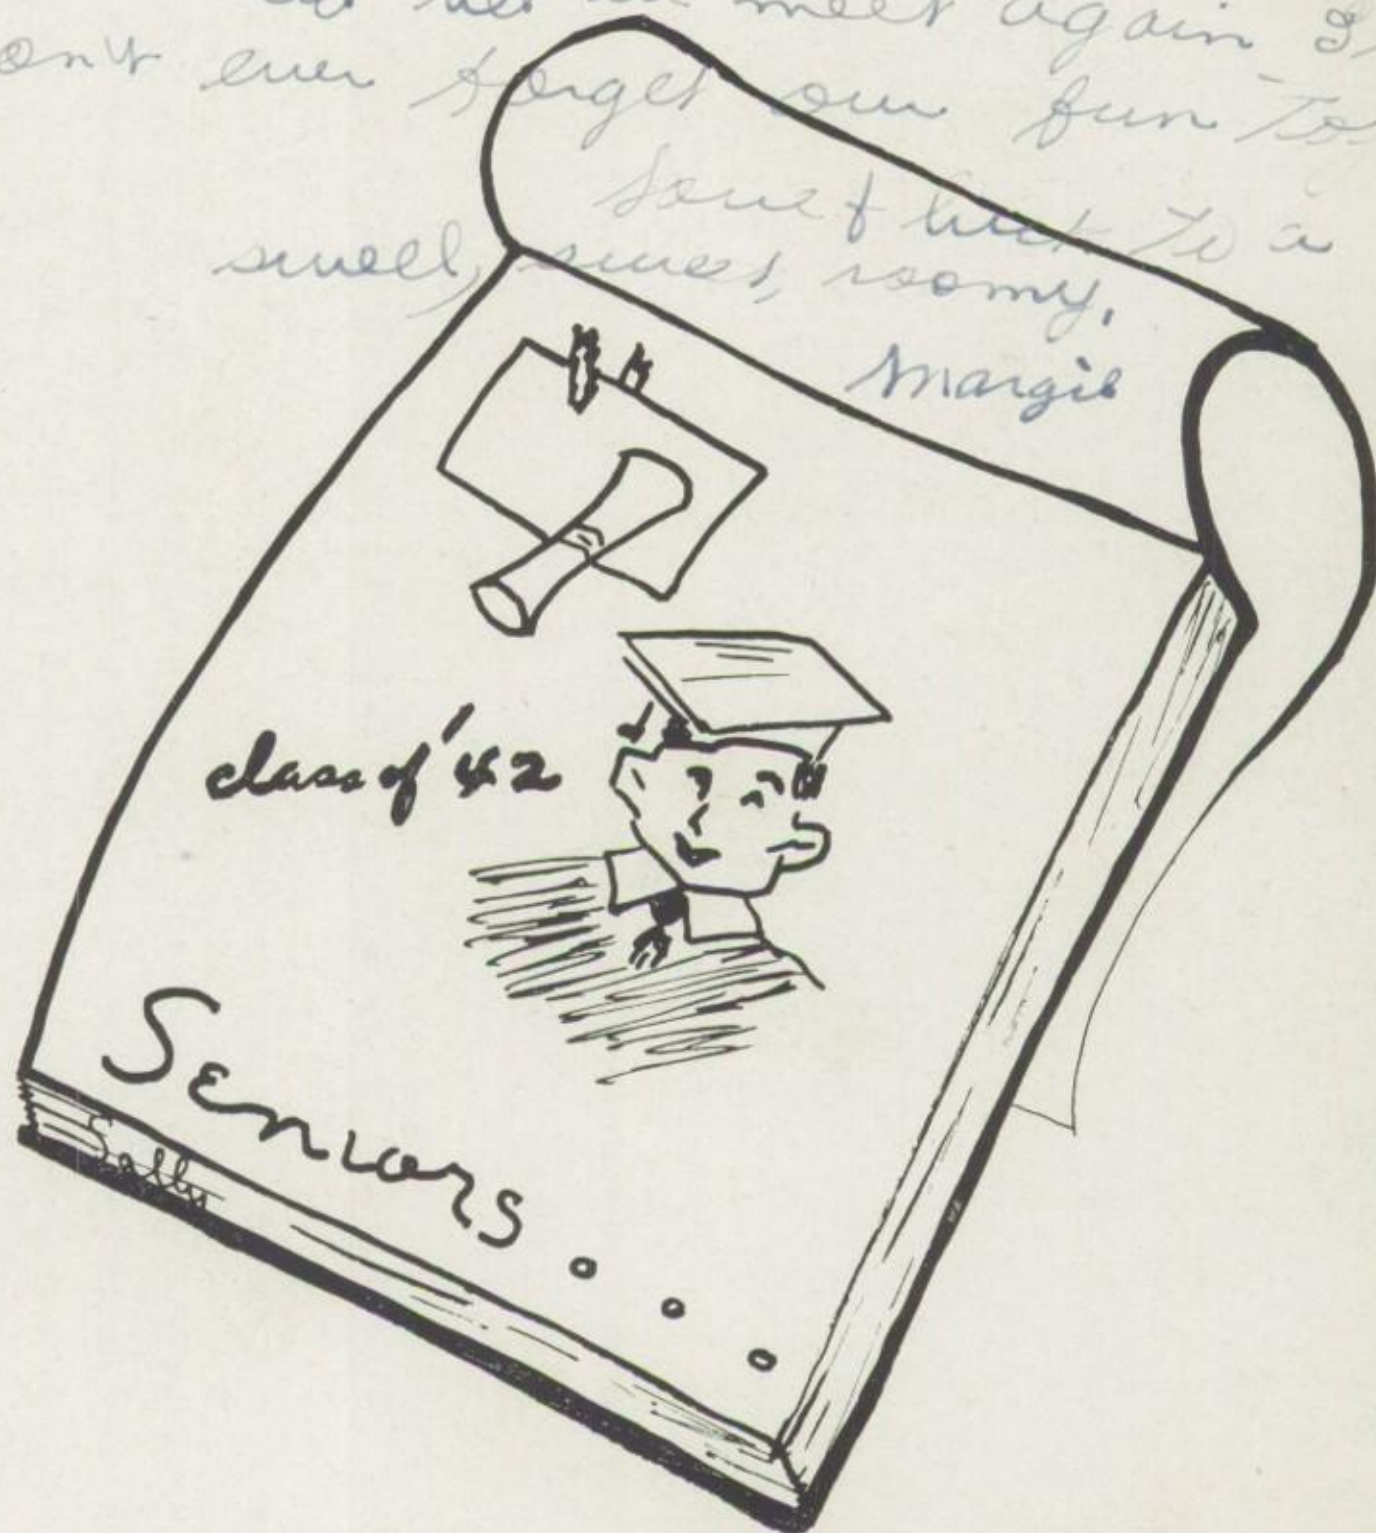

The owner of these beautiful hands proudly displays her senior ring.

I can't Virginia be,

How you will never know how much I have enjoyed being with you this year. I will miss you so very much. Please write me often. Please come back ~~real~~ soon.

Well kid we have gone and done it and it seems only yesterday that we started this year. But I know you will have the biggest and hole life that any one might ask for. I know that we will meet again someday in what ever we do. Well kid till we meet again I love you. Don't ever forget our fun together.

Love & best to a
sweet, sweet, sunny,

Junior Activities

"One of the liveliest Junior Classes ever to be associated with this High School," could certainly be applied to the Junior Class of 1942. Among their first successful activities was a game party held in the gym. There students and teachers enjoyed an evening of fun, trying their luck at assorted games. A short while later, the class turned out for a wiener roast at MacKenzie State Park. The party was a terrific success with very few people having burns resulting from roasted fingers instead of wieners. Then followed the long looked for junior picnic, which is an annual affair.

Pictured at the left are students who ran for junior officers. From left to right, standing, they are: Robert Brewer, Willella's campaign manager; Ruth Anthony, campaigning for Norma; Willella Nelson, running for president; Joe L. Thompson, who spoke for Hubert; Conny McDonald, who campaigned for Panze, and Hubert Bechtol, also running for pre-ident. Seated are Norma Croxton and Panze Butler, both running for secretary.

Above: Vada Lois Graham trying her luck at one of the games featured at the first junior party. It appears that she is attempting to put the ball in the basket. The question is, "Did she make it?"

Above: Mr. Thompson making himself the "life of the party." At the junior game party he did a combination Jitterbug and Indian War Dance to a lively tune sung (?) by some of the Westerners seen in the background.

On the platform at right is the president of the Junior Class, Hubert Bechtol, who has just introduced "Umpy" Robinson, from Hawaii.

ALL-WESTERNER BOY

Franklin Butler

First on the gridiron, first in his classes, and first in the hearts of countless fans and friends is Franklin Butler. It's a grand achievement when a "game kid" defies all the laws of "avoirdufois" and makes a football team. Since the state semi-finals in 1939, he has been a regular in every game, and opposing players knew that meant a detour sign so far as his guard position was concerned.

But Franklin, never trying to coast on his athletic ability, has always been an honor student. He has built a strong character and rugged honesty the hard way, but the right way, by giving his best always.

His acts have been numerous, varied and worthy of emulations. He has wielded effectively the torch of leadership. He has cool courage that gives him assurance regardless of apparent odds, and a smile that won't rub off . . . that's Franklin Butler as we know him, the typical American Boy.

ALL-WESTERNER GIRL

Wilma Jean Freeman

Wilma Jean Freeman is definitely worthy of being singled out and honored for her contributions to Lubbock High School. In other years, she has held offices too numerous to mention, and now as a senior, she is serving as secretary of Student Council, President of Area II Future Homemakers of Texas, and Editor of the school year-book, "The Westerner."

Though mastery of subject matter and high rank in classes have been cardinal principles of success with her, her deep interest in every activity that helps to promote the school and to instill ideals of loyalty, democracy, and Christian Charity in the hearts of her friends has rounded out a full, wholesome character.

Wilma Jean knows how to organize and direct a group without displaying too much of the fatal vitamin "I" while doing it. She is one of the best answers we know to the statement that young people have lost all the superb qualities of ambition, character, and virtue of the pioneer Mothers of America. In reality, Wilma Jean Freeman exemplifies all the traits of the choicest of all creations—the American woman.

FAVORITE SENIOR BOY

Wesley Hamilton

Wesley Hamilton is a walking exemplification of rugged honesty and democracy. He displays an admirable character and leadership ability without being "bossy" or snobbish. "Wes" is the best example we know of the typical American Boy. He is scholar, athlete, a magnetic person without pretense. He is a payment on the policy that will insure freedom and justice to the America of tomorrow. A real friend and withal a Christian gentleman.

FAVORITE SENIOR GIRL

Dolores Bizzell

Dolores Bizzell is the personification of constancy. Every person who knows her has implicit faith in her sincerity, loyalty, and devotion to her friends and school. Unassuming, quiet, dignified, charming, and gracious and—what adjectives do you know? Oh yes, she has beauty, personality, and a smile that keeps you awake, but she has just the exact poise, reserve, and technique to make her a perfect answer to all the complaints that pessimists and critics make of modern girls.

FAVORITE JUNIOR

Hubert Bechtol

Hubert Bechtol is one of the very best junior presidents Lubbock High School has ever known. He is quiet, congenial and courteous, always, but he has spirit and aggressiveness that get results—in class meetings or on the gridiron. He inspires and gives confidence to all who work with him. He obeys orders and respects discipline willingly and fearlessly. It takes genuine manhood to maintain Hubert Bechtol's standard of citizenship.

FAVORITE SOPHOMORE

Temple Joyce McAfee

Temple Joyce McAfee is a vivacious "bundle of blonde dynamite," who knows why she is in school. She is just a sophomore, but she has faith, hope, spirit and vision worthy of the best. Her first loyalty is Lubbock High School. She is genuinely democratic and resents wholeheartedly any show of selfishness or snobbery that might detract from the wholesome friendliness which exists here. Temple Joyce is an outstanding student, and a member of the Student Council—the type of pupil that gives assurance for the future.

MARY LOU GODBEHERE

Honey colored hair and laughing eyes identify Mary Lou as a senior with a colorful past. Even though she just moved from San Angelo this year, she is an active member of the Girl Reserve, Thespian, Latin, and Melvil Dewey clubs, and of the Student Council. Her dramatic ability gained for her a part in the senior play.

DORIS CRIM

As president of the Radio Club and president of the National Forensic League, Doris is well known around Senior High. Her talent in speaking and debating has brought her further honors. She always has a cheery word for everyone she meets.

JACK COOPER

A studious boy with a willingness to work describes Jack Cooper. As a member of the Science Club, this sophomore student is noted for his outstanding interest in that organization. He enjoys all outdoor sports, especially tennis. He was sports editor of the sophomore edition and is showing his ability as a reporter for the Westerner World.

BILL LEE

Holding a responsible position as president of the National Honor Society and being an excellent debater, Bill Lee has become one of this year's outstanding seniors. His occasional dry wit amuses his close friends, and his excellent grades are admired by all.

JANE O'NEALL

A flashing smile and brown eyes that have won for her many friends are the outstanding characteristics of tiny, dark Jane O'Neill. As a capable debater, she has represented her school in five debate tournaments and is an active member of the Mary Emma Club.

We Honor

ROLAND NABORS

Roland, who is more commonly called "Tuffy," was chosen center on the All-State Football team. His favorite sports are football and basketball. Talking with the boys is his most enjoyable pastime, when he is not reading funny books; while his most outstanding characteristics are his "shuffling walk" and his friendly "hi"!

SIDNEY KEETON

One who deserves the best of everything, hardworking "Sid" is admired and held high in the estimation of everyone. As vice-president of the Student Council his junior year, and as president his senior year, Sidney has shown that willingness to help is a noticeable characteristic of his. Always referred to as well dressed, "Sid" also has a "way with the women."

AMOS HOWARD

As an all around Westerner, Amos has taken part in many activities in High School. He is a member of the football squad, Latin club, and National Honor Society, and a vice-president of the senior class, but still he finds time for his fried chicken.

JACQUELINE LEWIS

Quiet, unassuming "Jackie" has won the confidence and respect of her classmates by her excellent grades and her cooperative spirit. Interests of her sophomore year have been divided among the Astronomy club, Girl Reserve club, and bowling.

VADA LOIS GRAHAM

Peppy, brunette Vada Lois is a popular vice-president of the junior class with a very bright future. Her willingness to work has made her an outstanding member of the Thespian and Girl Reserve clubs, and has made her cooperative ability one of much admiration.

We Honor

EUGENIA HOPPER

Tall, dark Eugenia is an efficient president of the Mary Emma club and an active member of the Girl Reserve club. She represented her school at the State Homemaking Rally in 1941 as a first year student. Being very quiet and reserved, she is a wee bit on the timid side.

MARY VIRGINIA MULLINS

Always referred to as blonde, poised, and well-dressed, Mary Virginia has a spirit of cooperation that is admired by everyone. She is a member of the National Honor Society, and her interests include art and music . . . oh yes . . . she "loves" shoes and is noted for her varied and unusual pairs.

BEN T. WELLS

A jovial personality and bright smiling eyes reveal his mischevious nature. Ben T. participates in school activities as vice-president of the sophomore class and as assistant business manager of the annual.

RUTH PARKHILL

Ruth's sparkling personality and quiet manner have helped to make her an outstanding member of the sophomore class. A niece of Mr. "Pinkey" Lowrey's, she enjoys many types of sports, but on her studious side, her favorite subject is math.

HOWARD SCHMIDT

Howard Schmidt, a tall and lanky, unassuming, sincere senior, has been business manager of the Westerner World for two years. As president of the Texas High School Press Association and West Texas High School Press Clinic, he has shown his initiative, leadership, and de-

pendability. He is a member of the Quill and Scroll and is interested in all types of photography. Being an Eagle Scout for two years, he has received the Bronze, Gold, and Silver Palms which are top honors. He has been a Counselor in Boy Scout Camps for two or three years.

We Honor

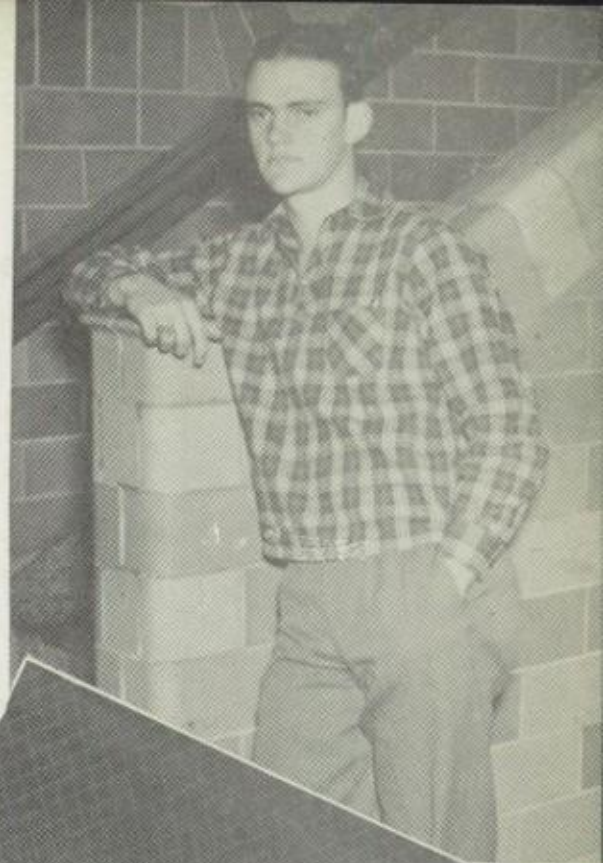

CHARLES BROWN

Small and energetic Charles, who is better known as "Pinhead," is the sports editor of the Westerner World. In the West Texas High School Press Clinic and the Texas High School Press Association at Denton, he placed first with his sports column. He is an active member of the Quill and Scroll Society. His engaging smile helps him to win friends easily.

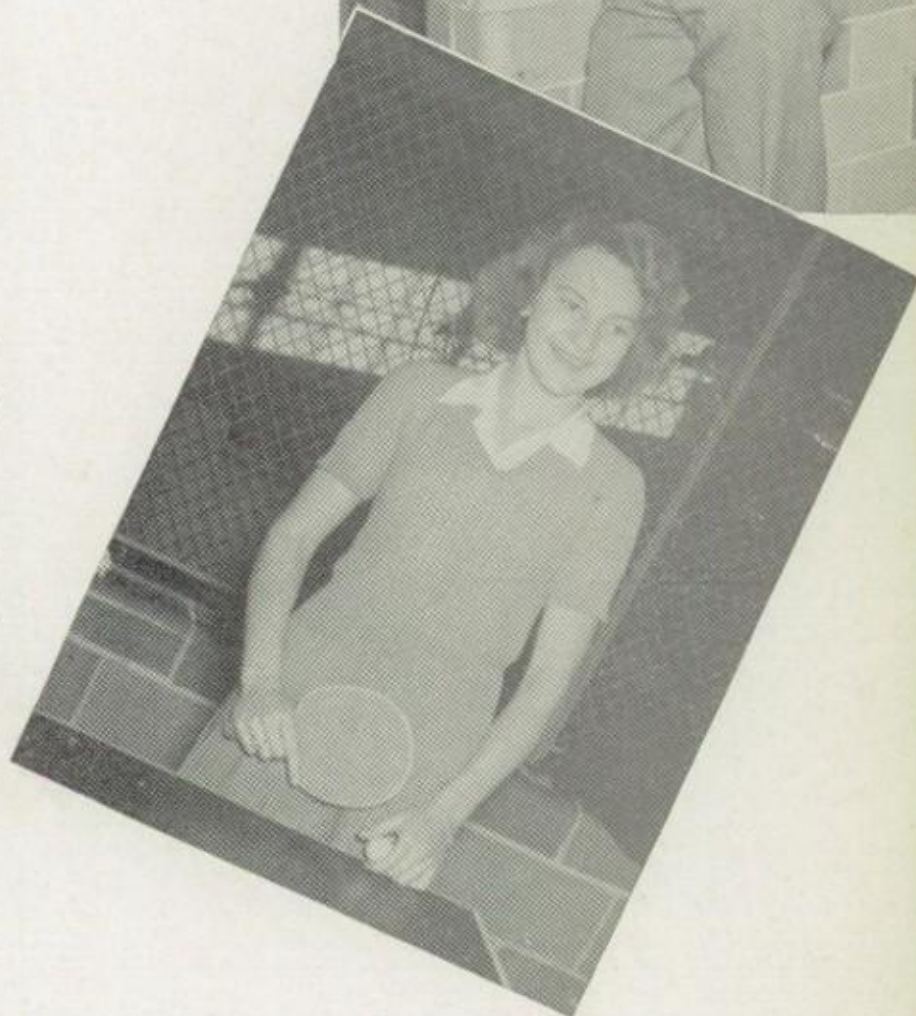

MILNER THORNE

Milner Thorne, a tall, blond Westerner with an easy-going manner, has made a name for himself on both the Westerner football and basketball squads through his outstanding ability and sportsmanship. His pet likes are simply eating, sleeping, being around with the boys, and singing . . . ? . . . with the football boys.

JEWEL CHRISTINE WHITE

Known by everyone for her bright smile and friendly "hello," Jewel Christine is an outstanding senior student. Her remarkable ability in speaking has won her recognition in school as a debater and a declaimer. Not only is she president of the Tennis Club, but she also takes part in other sports. She is an active member of the National Honor Society and held a part in the senior play.

ERNESTINE GIBSON

A surprising amount of ability is stored in tiny Ernestine. She is co-editor of the Westerner World, secretary-treasurer of the Quill and Scroll, and treasurer of the Girl Reserve club. Her pretty eyes and unlimited pep have won for her many friends, who fondly call her "Lolly Pop."

MARY KATHERINE JONES

Mary Katherine is a small dark girl with a warm twinkle in her eyes and a gentle "hello" for everyone. She is "Miss Efficiency," herself, as shown by her accomplishments along the scholarship line. Destined for greater things is this up-and-coming junior.

We Honor

MRS. E. WALDO TROTTER

For ten years, one of Lubbock High's favorite teachers has been a symbol of vitality and friendliness to all of her associates. Her sense of rhythm is evident in her dancing as well as her work. She likes the vivaciousness of the high school students, but her real pride and joy is her two year old son, Bill Alden.

DIXIE WHITE

The idol of all Westerners, Coach Dixie White is known throughout the school as an all-around "regular fella." A former Westerner, he returned this year to his old haunts and to his favorite work as assistant coach. His well-fed, happy look might be the result of his wife's delicious waffles, or his liking for milk, which brings him much kidding from his associates.

C. S. ESKRIDGE

As Senior High's band director, Mr. Eskridge is well liked and admired by all of his boys. As one who likes the trait of dependability in people, his greatest dislike is people who don't pay attention and don't carry out orders. His hobby is band, and his favorite pastimes are making talking records of his son and going to the mountains on vacations.

GORDON THOMPSON

"A person who makes one glad to be in his class" is Coach Thompson. He likes students who study, but definitely dislikes show-offs. His favorite pastime is reading, collecting good books, and working in his own Defense garden of flowers and vegetables.

MISS MARIE COOK

Known as one of the most well-liked teachers in school, Miss Cook, Senior High's speech and dramatics teacher, is depended upon for all of the school's stage presentations. Through her patience and direction, the plays, put on by students the past few years, have been praised by many. Her favorite pastime is attending plays, and she spends most of her summer vacation traveling.

Sports

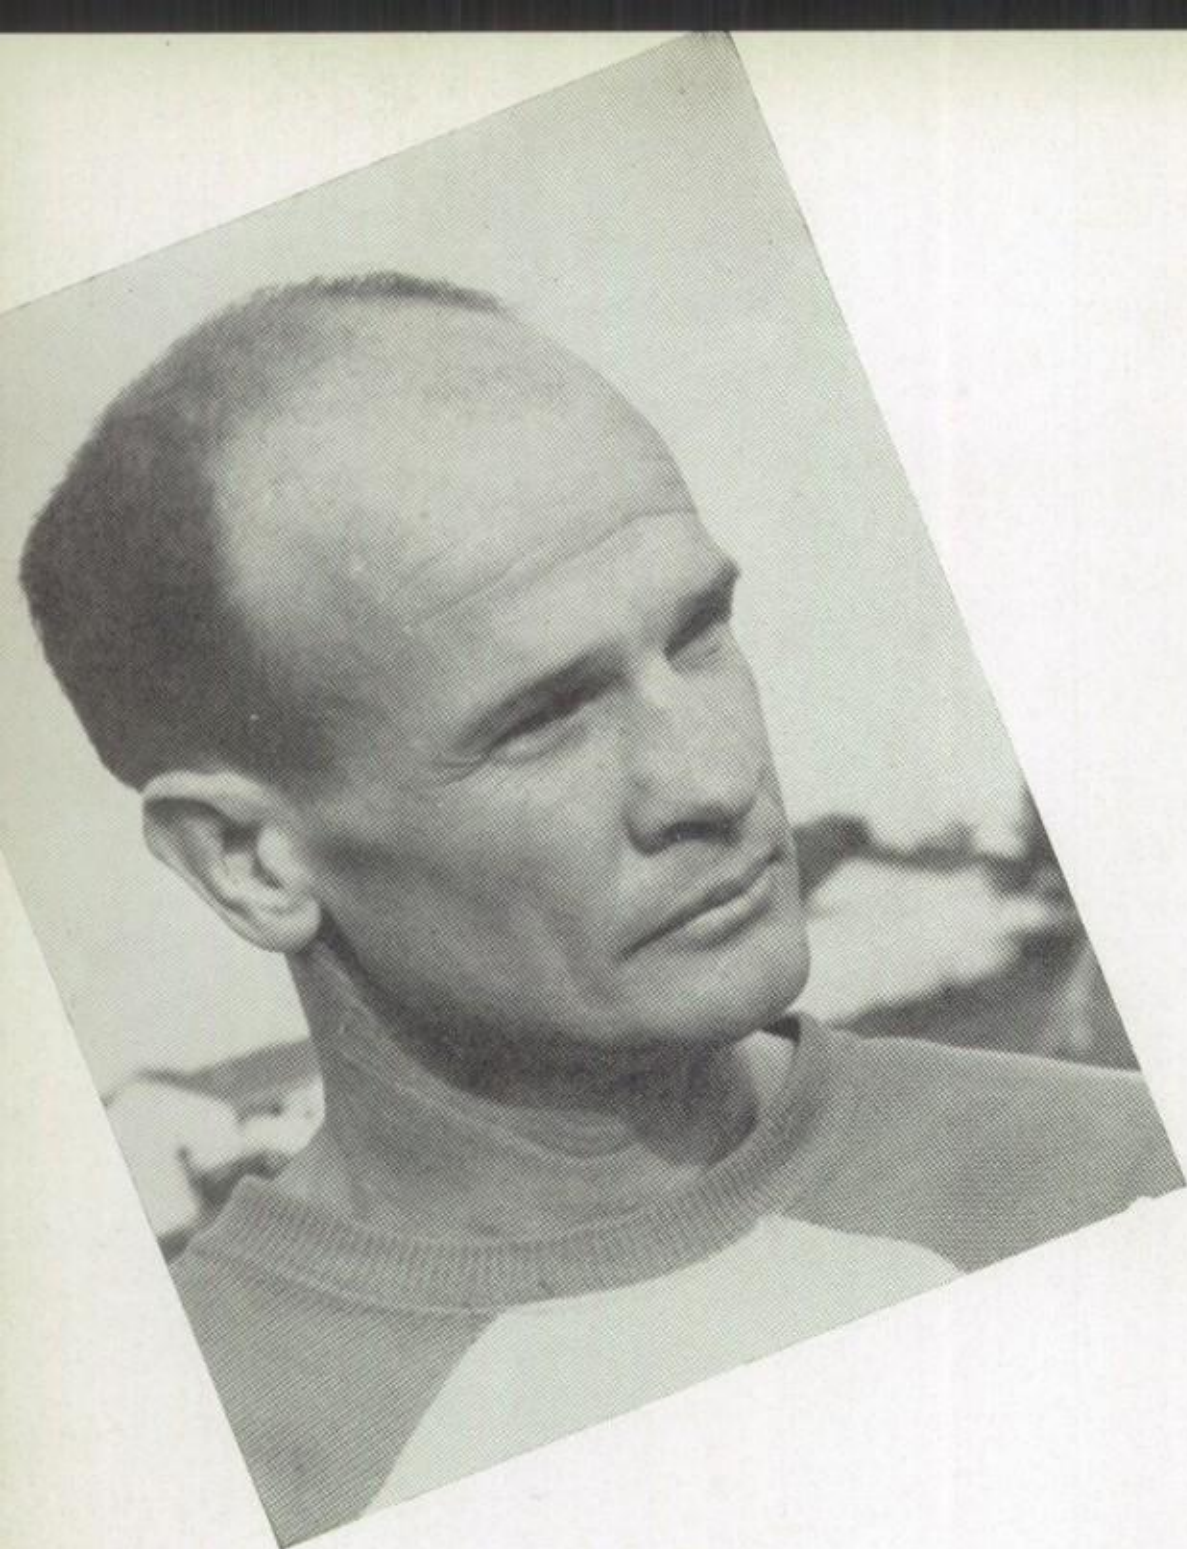

Dolores Bizzell

Pretty, congenial "Dodo," chosen on all-'round standards, was voted by the Westerners as their Football Sweetheart. She has worn the "crown of the queen" for two years, the Westerners of '41 having voted her to this title, indicating her consistant, likable personality. Wherever she goes her goodness demands and gets the respect paid ladies, making her a favorite with all.

W. A. S. 23

HEAD COACH J. G. KEYES

A great humanitarian as well as one of the best coaches of the state, he puts "his boys" on their honor to train hard, play viciously, and be gentlemen at all times, and he is never let down. He teaches that "it is better to lose a game than win the game and lose your honor." He instills in the boys a confidence that keeps their fiery spirits victorious.

COACH "DIXIE" WHITE

Finishing as a leading uniformed Westerner in 1936, he returned to the Lubbock High gridiron as a coach last fall. Inspiring confidence, he coaches in an easy-going manner and with such an air that all are certain he knows what he is talking about. The value of Coach White to the Westerners can be seen in the powerful, all-around line he produced last fall.

ROLAND "Tuffy" NABORS

Center—Weight 170

Too much cannot be said about all-state Nabors; as co-captain and center he was acclaimed the most outstanding member of the team by his team-mates. His is one of the very best centers ever produced in Lubbock High School.

BILLY WRIGHT

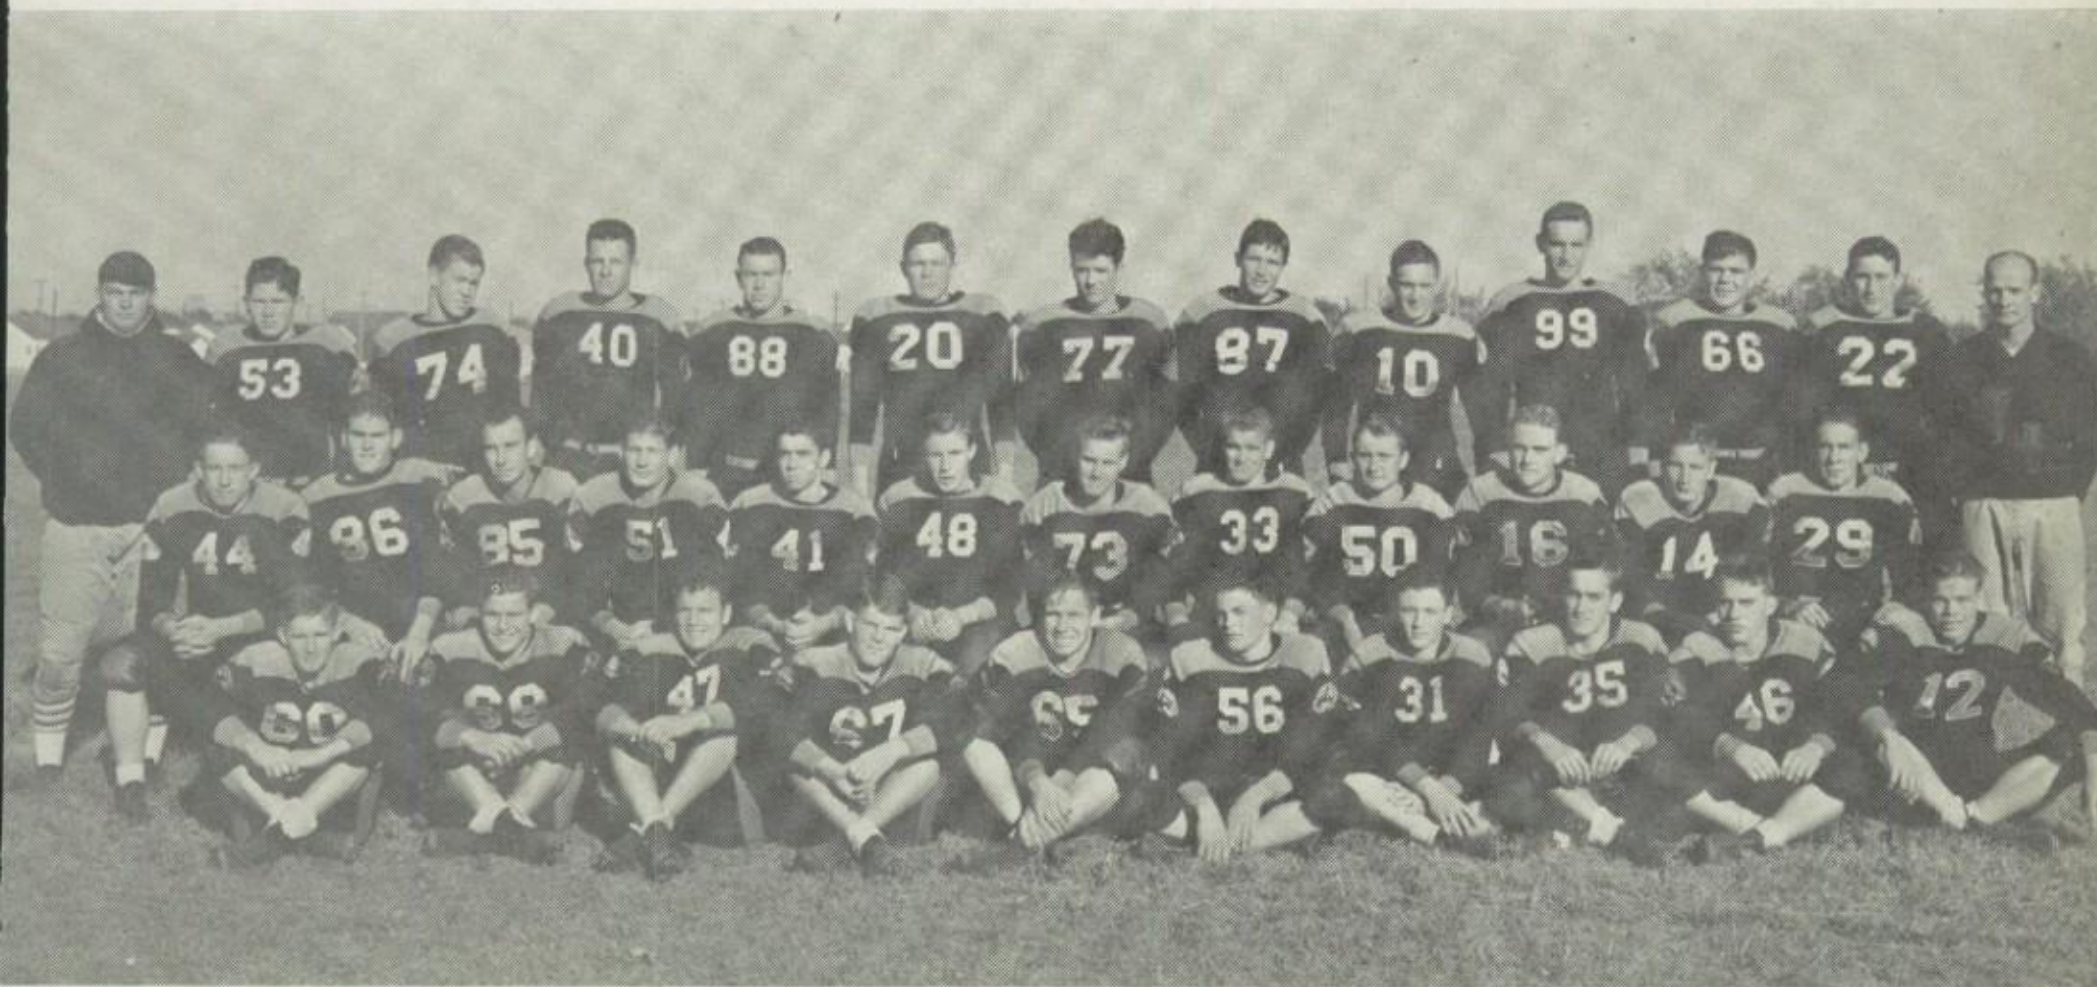

Back—Weight 160

His team-mates dubbed him "the Mighty Mite"; weighing only 160 pounds, he proved equivalent to a much larger fullback. His vicious drives for yardage helped to keep the Westerners ahead in yards and goals.

WESTERNER FOOTBALL SEASON

The Westerner football team of 1941 was not a "Cinderella" team, nor were they a state champion, but they were a great bunch of fellows. The season as a whole was a successful one; the Westerners, having won the District I championship marched into the State Schoolboy race. There the Westerners met defeat, but they took it with their heads high and their spirits undaunted. The slate reads like this: 8 games won, 1 game tied, 2 games lost. Other Westerner teams have gone farther, but none have left a more pleasing record of sportsmanship and fair play.

First row: Jimmie Butler, Billie Smith, James Reese, Thomas Pirtle, Bob McKinley, Robert Reik, J. R. "Curly" Allison, Bob Renner, Amos Howard, Robert Brewer.

Second row: Billy Wright, Joe Tom Glaze, James Robbins, Major Taylor, Frank Liddel, Kenneth Pharr, Ross "Skeeter" Brock, Wayne "Tiny" Odam, John A. Raley, Milner Thorne, Douglas "Primo" McCurry, Max Walthall.

Third row: Coach White, Jack Conley, Jerry McCauley, James Conley, J. A. Blackwell, Roland "Tuffy" Nabors, J. D. Milner, Hubert Bechtol, Howard "Lefty" Lanford, Wesley Hamilton, Franklin Butler, Joe L. Thompson, Coach Keyes.

NORTH SIDE (Fort Worth) 0, WESTERNERS 20

The Westerners started the season on Tech field with a bang, defeating the Steers 20-0 in a grand exhibition of championship football. The second time Lubbock got the ball a goal was scored. In like manner, hitting hard, fast, viciously, the Westerners made two more scores, converting twice.

SAN ANGELO 0, WESTERNERS 22

Visiting the San Angelo gridiron the Westerners met a team tough as experts predicted, but the Lubbock boys were just a little tougher—when the smoke of the battle cleared away, the Bronco-Busters were riding on the long end of a 22-0 score.

VERNON 0, WESTERNERS 0

The Vernon Lions charged the locals hungrily and held the score 0-0 even though they were clearly outplayed. The Westerners ran up a grand total of 285 yards rushing to the Lion's 65. The players were hardly visible from Tech stadium, a foggish mist resting over the field, its moisture hendering Vernon's noted passing offence Pictured, at left: Hard-running, long-strided Milner Thorne being smothered down after a drive for paydirt.

BORGER 0, WESTERNERS 40

In their first conference game the Westerners came through with a showing of fine ability in defeating the Bulldogs in their own backyard by a score of 40-0. Each of the players who made the trip played a whole quarter or more. Recovering a Borger fumble on the Bulldogs' 12-yard line, the Westerners started a scoring spree that didn't let up the rest of the game.

BRECKENRIDE 7, WESTERNERS 18

The Buckaroos were a game bunch of lads, but they just didn't have the stuff to upset the mighty Westerners; so off home they trudged, heavy in defeat to the tune of 18 to 7. This victory marked the Westerners as the team to watch in the district race.

MAJOR TAYLOR

Tackle—Weight 160

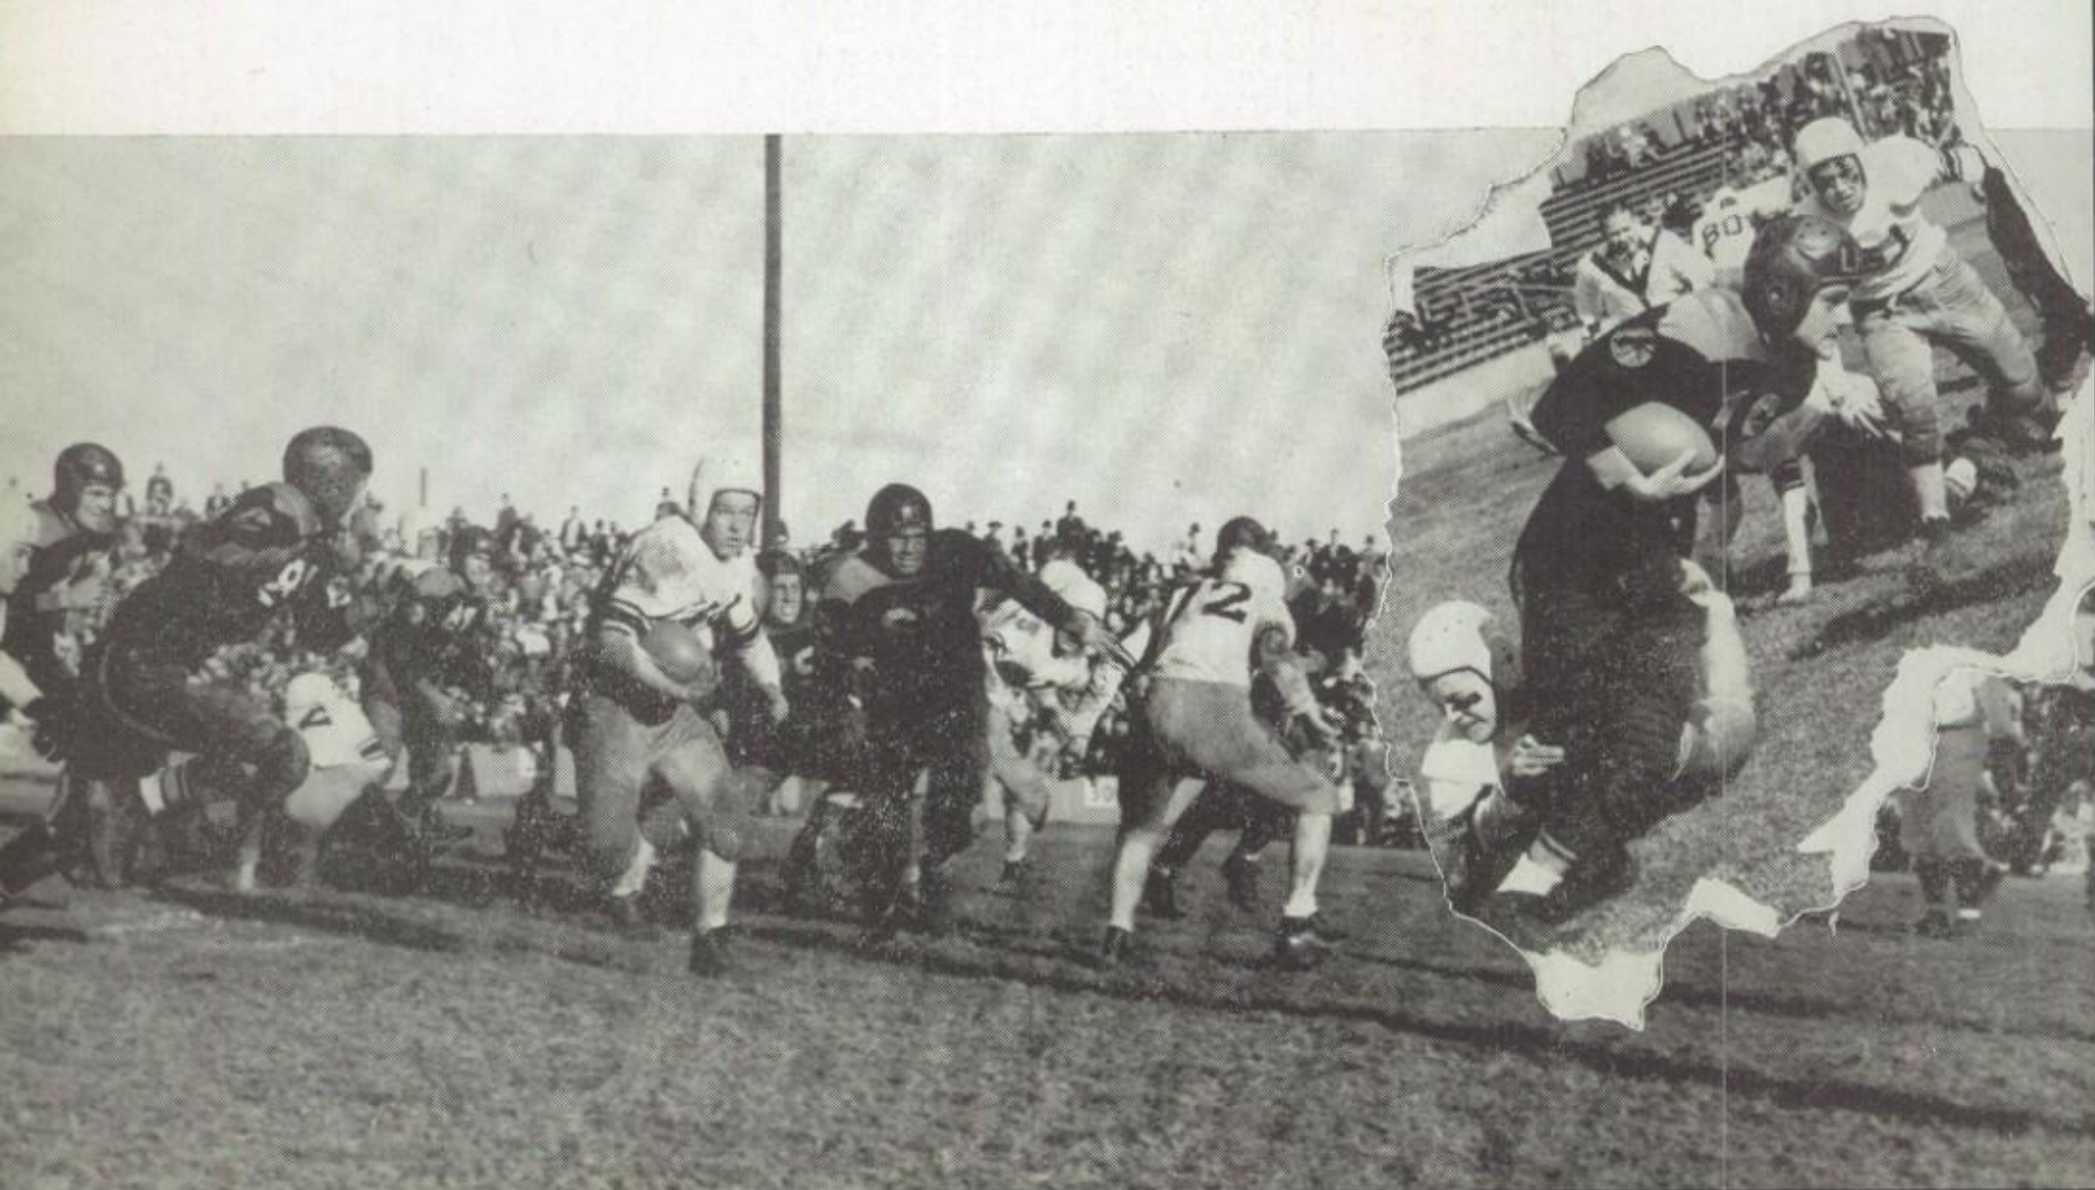

One of the team's most valuable players, he played center and tackle with equal skill.

AMARILLO 3, LUBBOCK 0

Amarillo's mighty Golden Sandstorms, the traditional rivals of the Westerners, sunk the hopes of the Westerners for a District I championship temporarily by handing them their first defeat of the season, 3 to 0, in a bitterly fought battle. The Westerners went down with their guns blazing, however, and the defeat did not dampen that fighting, Westerner spirit. The game was featured by vicious blocking and tackling, hard running, and nifty ball-handling; the Westerners more than held their own. The Black and Gold came off Butler Field heavy in defeat, but with a determination to fight back as long as there was a slim chance for victory in District I.

In the large picture: Hubert Bechtol and Robert McKinley close in on a Sandy back. This picture was taken toward the last of the game when the field was boggy and footing was difficult.

Inset: Milner Thorne is being tackled by a Sandie while another Sandie rushes in from the side to give assistance.

BRACKENRIDGE (San Antonio) 0, LUBBOCK 27

In the beautiful Alamo Stadium of San Antonio, the Westerners went to battle against the Brackenridge Eagles. Gaining momentum from the Pampa victory, the Westerners took the Eagles to a cleaning in grand style.

PAMPA 13, LUBBOCK 30

Angered by the Amarillo defeat and provoked by rumors that they would not have the heart to come back fighting after the disheartening Amarillo game, the Westerners came back strong to overpower Pampa 30 to 13. This game saw the Westerners in their best form of the season, and they showed no mercy to the game but bewildered Harvesters.

Top picture: Max Walthall, Jerry McCauley, and Hubert Bechtol stop a steamrolling Harvester.

Bottom picture: Billy Wright seems to have run into trouble in the form of two would be Harvester tacklers.

EL PASO 7, LUBBOCK 20

Realizing that every point scored meant just that much more of a chance to come out on top in District I, the Westerners, after a bloody melee, crushed the Austin High El Paso Panthers 20 to 7 at Tech Field. The victory was also a moral victory considering the fact that Amarillo was able to best the Panthers only 20 to 19.

PLAINVIEW 0, LUBBOCK 33

The last game of the regular season found the Westerners in Plainview battling the Bulldogs. The Westerners were shooting for a chance at the District title, which was to be decided the next weekend. They earned that chance by beating the Bulldogs to a bloody nub—33 to 0.

Top picture: Wayne Odam sweeps right-end for several yards, assisted by J. D. Milner and Max Walthall.

Bottom picture: Robert Brewer stiff-arms a would be Bulldog tackler.

WICHITA FALLS 30, LUBBOCK 13

After gaining the District I championship over a conference table, the Westerners plunged headlong into the State Schoolboy Championship Race against the air-minded Wichita Falls Coyotes. Championship hopes were short-lived, however, and the Westerners went down under a brilliant barrage of aerals 30 to 13. Their star passer just couldn't miss on that memorable day, and therein lies the secret of the Westerners defeat.

CHARLES BROWN

Westerner Manager

Charles, better known as "Pinhead," held down one of the most difficult jobs in the sport of football. Most people consider the water boy an insignificant ornament on the football squad, but they don't know "Pinhead."

E. J. LOWREY

An important person, who works in the background the greater part of the time, is E. J. "Pinky" Lowrey. His job is to keep the business end of the team straight. He is always on the job whenever equipment needs to be distributed or there are some tickets to be sold.

G. E. DAWSON

Displaying one of his favorite programs is Mr. G. E. Dawson, who handles the business end of putting a program in every hand. Few people know of his connection with the sport, but judging from the grandstand he plays an important part.

DAN W. POWERS

Pepper-Upper

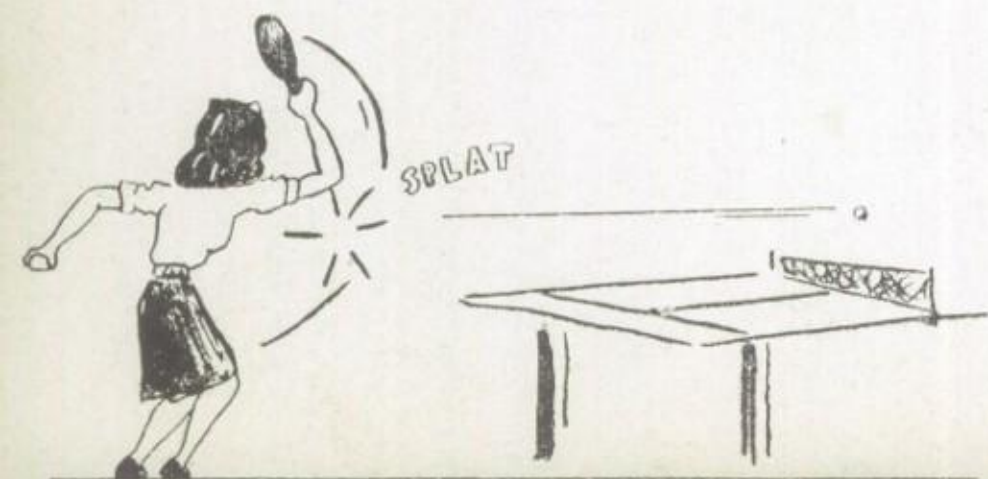

Whenever the yells began to lose their zest, the spirit lagged, or enthusiasm ebbed, it was the contagious high spirits of Dean Powers that brought us out of it.

MRS. L. H. KIRBY

Sponsor

Taking pride in her sponsorship of the yell leaders, Mrs. Kirby spent many long hours drilling and training leaders, planning new yells, teaching the vitally important fundamentals.

COACH GORDON THOMPSON

This young gentleman is known as being "slightly rough," as a coach of the future Westerners. He coaches the line, embedding in the boys the fundamental training so necessary to a good team. He instructs in such a way that the boys come to admire him and respect his every word.

COACH CYRUS LaMASTERS

He coaches in a way that inspires his players to give all they've got, then dig down for more—a characteristic of champions. His understanding of football enabled him to become one of the best scouts on the South Plains, as well as a thoroughly instructive coach. He has proved very valuable to the Westerners as a scout and a primary instructor.

COWHAND FOOTBALL SEASON

The Lubbock High School Cowhands, composed of sophomores and juniors, met one of their most unsuccessful seasons this year. The future Westerners completed their season of nine games with 3 victories and 6 defeats. Although a majority of the scores were against them, many members of the Cowhand squad showed brilliant ability for a great Westerner squad in the future.

WESTERNER BASKETBALL SEASON

Basketball in Lubbock High saw a shake-up in the district. The district was changed to include only those schools that are included in District I football. This year's Westerner basketballers finished second to the Amarillo five in the district race. The team was a comparatively strong one, and the Westerners lost only four games, winning nine.

Boxing has been stressed in the gymnasium this year, and the boys took to the idea with a lot of enthusiasm. Seen sparring are E. L. Snodgrass and Elmer Lee Hurley, with, from left to right, Bill Carpenter, Charles McNeill, Clifton Harris, Herman Wallace, C. W. Norwood, Arlis Foster, David Pilcher, Jack Shaw, and Fred Libby, looking on.

One of the more popular sports with the boys gym classes was tumbling. Making a human fan are, from left to right: Thomas Hudson, Weldon Cobb, Bill Sommers, Wayne Stephens, Bud Wood, Kenneth Wilson, Jimmie Terrell, J. C. Perkins, Arlis Foster, David Pilcher, and Jack Shaw.

The champion basketball team consisted of the following girls, on the back row, left to right: Latrice Parnell, Mary Jo Blackwell, Billie Keelin, and Mary Edna Blair: Front row, left to right: Yvette Lynch, Dorothy Thompson, and Imogene Blair.

The champion volleyball team consisted of the following girls, on back row, left to right: Jeanette Galyon, Mildred Higginbotham, Havah Pool and Gwendolyn Adams. Front row, left to right: Delilah Rogers and Ollie Mae Brock.

Of the many girls sports, tumbling is an important one. In the above picture twelve girls form a pyramid.

In the upper left hand corner are two outstanding table tennis players, Dollie Robinson on the left and Susie Blackwell on the right. In the picture on the right Gene Carolyn Harvey, left, and Elene O'Hair right, show how a broken arm should be treated. In the lower left hand corner Bonnie Wallace demonstrates the technique of bowling. The photographer caught the group of girls in the center picture learning to give artificial respiration.

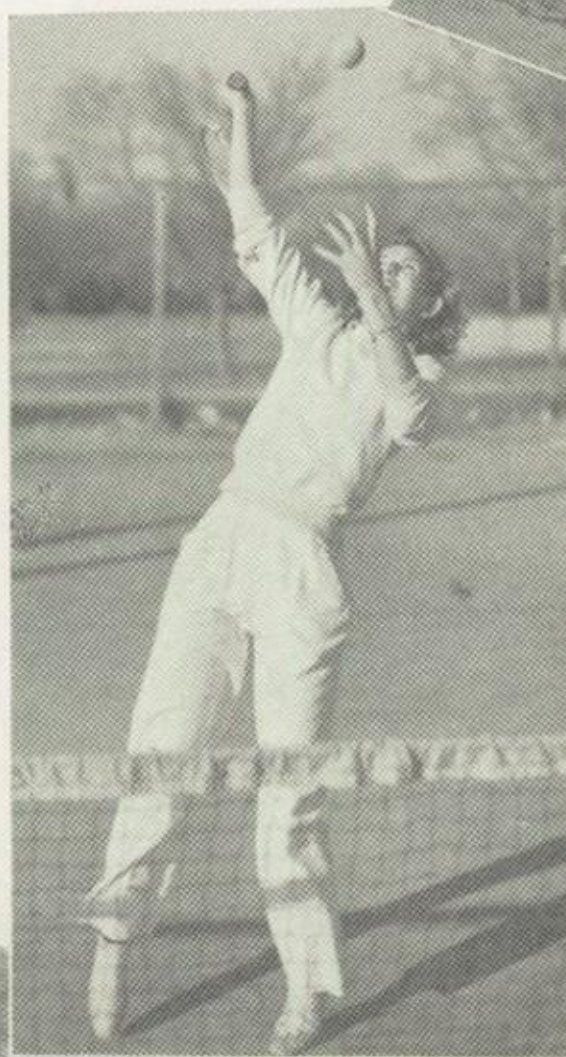

An expert tennis player is Jeanne Stovall. She has been a great help to Mrs. Kirby by teaching the other girls tennis and by being an excellent example of a tennis player herself.

Dollie Robinson

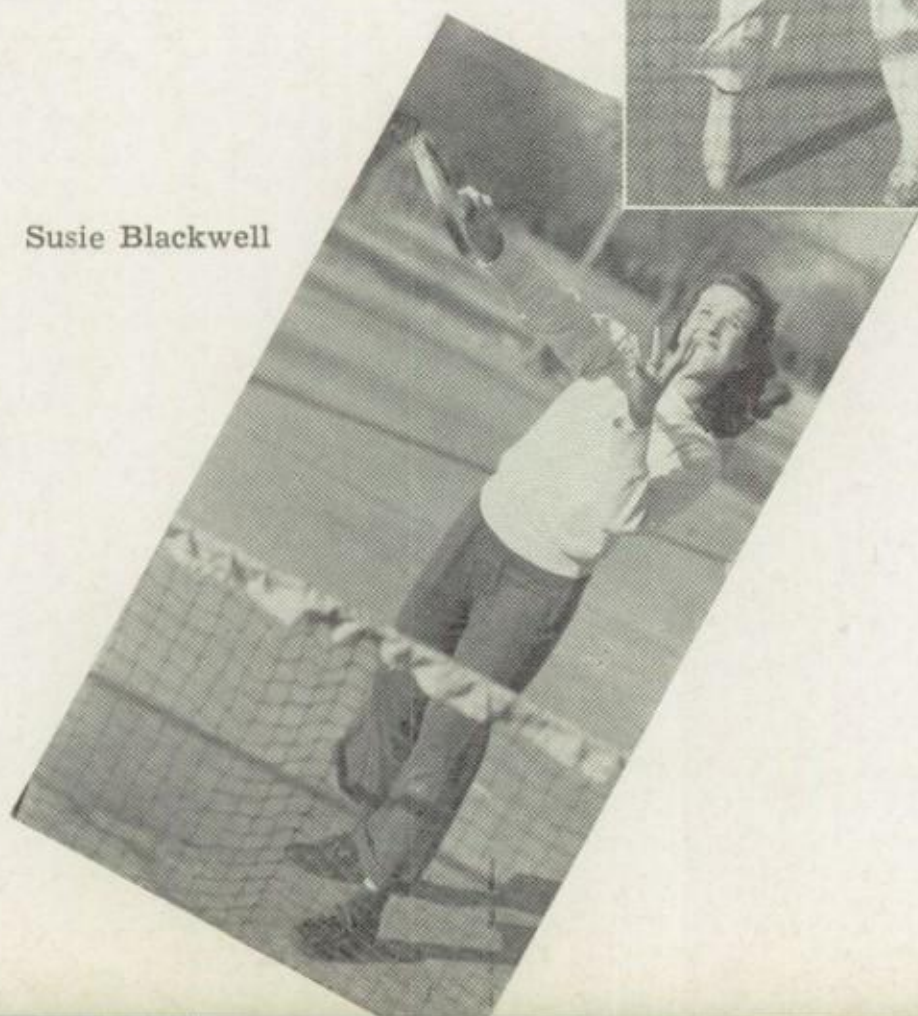

As good health is becoming more important because of the crisis, senior high is doing its part by promoting girls' sports. Through the excellent cooperation of the girls, these sports have become an active part of their lives.

Jewel Christine White

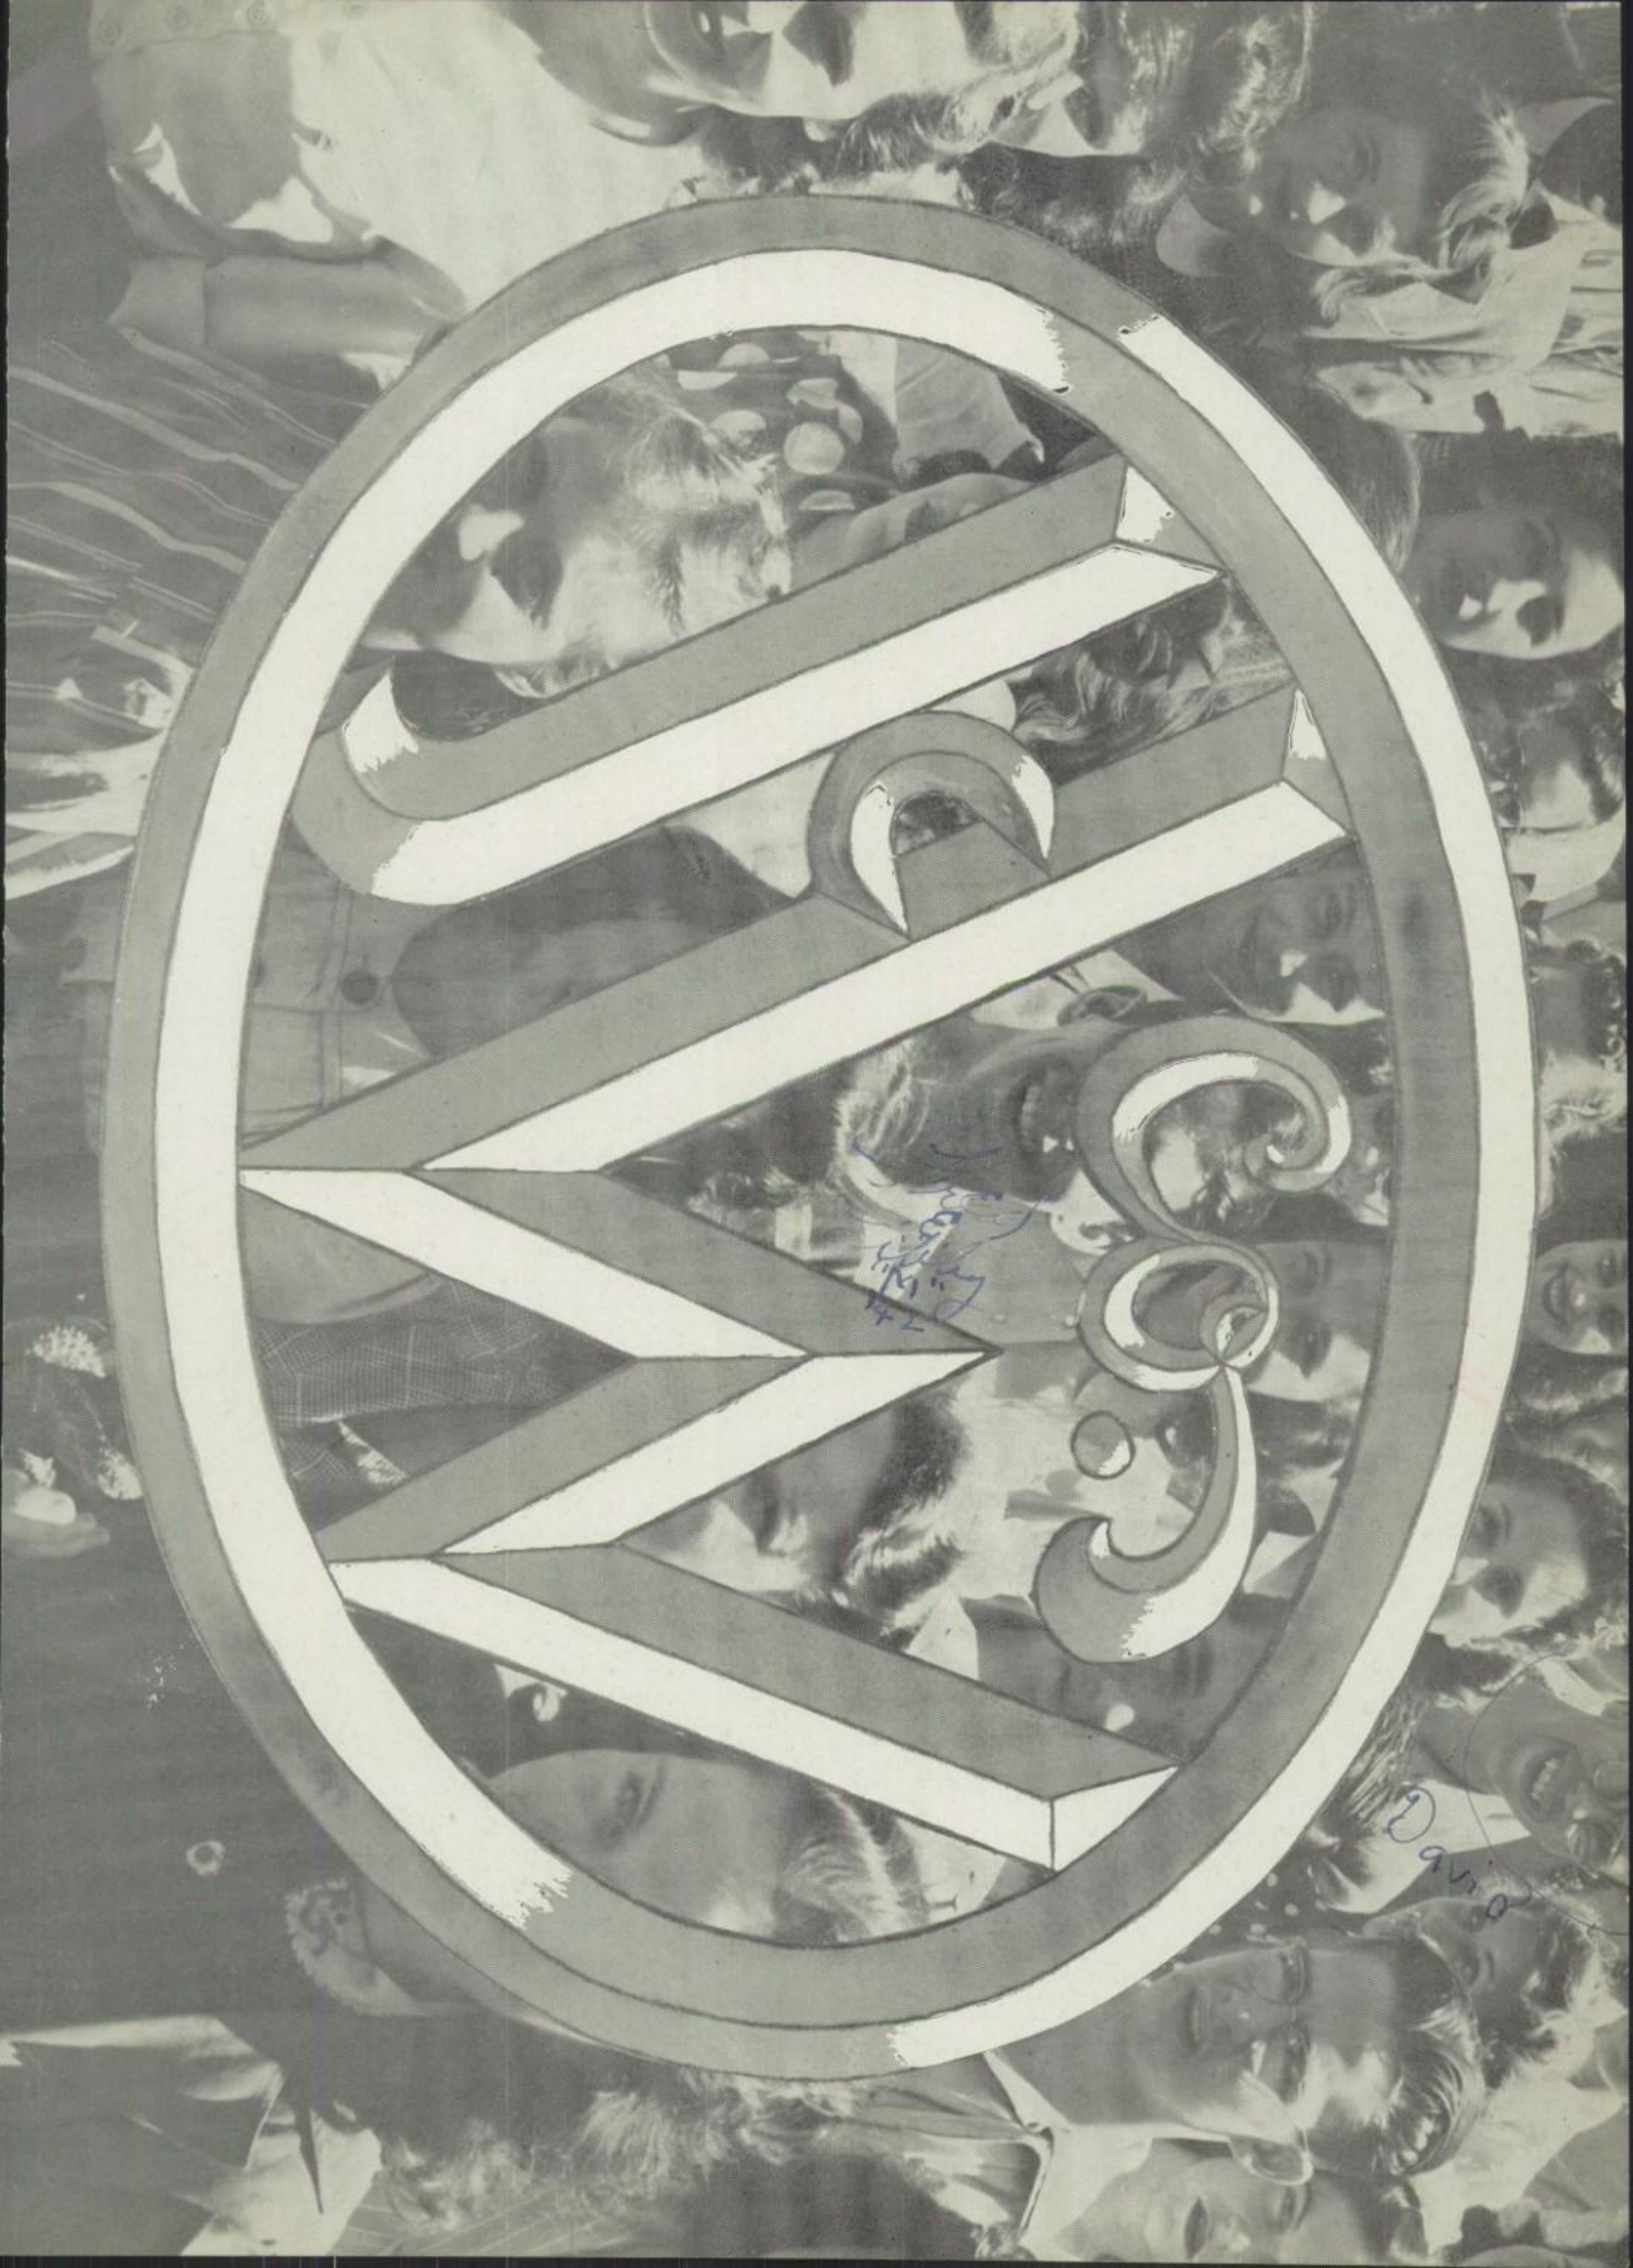

Susie Blackwell

Starting the season off in full swing with the tournament with Lamesa, Lubbock representatives, Christine White and Dollie Robinson won the doubles over their rivals. In the tournament with Levelland, Lubbock players carried away all the honors of both doubles and singles. Christine White won the senior singles while Dollie Robinson won the junior singles. Dollie Robinson and Susie Blackwell played doubles to win the senior doubles; and junior doubles were won by Susie and Elizabeth Robinson.

- 1 Johnny surely didn't do this all by himself.
- 2 Coach Thompson and "Beck" do their stuff at the Jr. party.
- 3 Coach Keyes can't possibly be showing the boys a good form to use.
- 4 Now who could No. 20 be besides Willella Nelson.
- 5 "Pinhead" Brown models the very latest in Spring hats.
- 6 "This is what I call my 'Floating Power' stunt," says Theda Beth.
- 7 Robert Brewer isn't practicing for a Negro Minstrel, it's only to keep his lips from chapping.
- 8 He wants to do it the hard way.
- 9 She's got a lot of speed behind that ball and you can tell it
